526 North 2nd Street
Richmond, Virginia

Dear Joe:

First of all, I have not received the pictures until now. Will you please look up the man who made them and find out what happened. I imagine Abe paid him in advance and he may be just careless about it. I want them very much and will greatly appreciate it if you can help me to get them.

Abe said he is planning to play the Cubans in Richmond May 9th and 10th. Please send me the information to go on the window-cards, and let me know how many you can use. Send, Name of Park; Time of Game; Admission Price.

Will appreciate hearing from you right away.

Very truly yours,

EFFA MANLEY
